Suspension of J. B. E. Cavallier.

Quite a flutter was created in Pioche yesterday morning on it becoming known that J. B. E. Cavallier, a stock broker, had suspended business. A large number of people had business relations with Cavallier, and of course all such became considerably agitated; they communicated their feelings to their friends and acquaintances, who also became infected, and soon the matter became an exciting topic of conversation on the streets, in the saloons, at business houses—in fact all over town. It was reported and believed by many, that the clerk of the office had fled at an early hour in the morning; but this was shown to be only one of the many stories circulated during times of great excitement. There were even some intimations of resort to violence, but the idea of such an unwise course was entertained by only a few, and was soon displaced by the sober second thought. During the day a suit by attachment was instituted in the District Court by Henry Freudenthal, who claims an indebtedness of \$8,500, and another suit entered in Justice Stoutenburgh's Court for a smaller amount. These attachments were immediately served—Freudenthal's being first in order—and the broker's office, together with the safe and moneys therein, stocks, bonds, accounts, and assets of his funds, was taken possession of by the Sheriff, W. W. Bishop, Esq., one of Mr. Cavallier's attorneys, allows us to publish a letter from their client, which we append hereto, as affording an interesting piece of intelligence in connection with the affair. Bishop & Sablin, the attorneys, authorize us to say that as soon as they ascertain from the book-keeper the financial condition of their client's business in Pioche they will make a settlement with his creditors here. In the meantime they desire all claimants to present their claims, to the end that they may be included in the assignment. Following is Mr. Cavallier's letter, previously referred to:

W. W. Bishop—Dear Sir: This letter will bring to you a sad record on my account, and I take the liberty to ask your help and influence to assist me in the settlement of my difficulties. I am obliged to liquidate my brokerage office in Pioche, and without knowing exactly yet the amount of my liabilities, I suppose they will range from \$17,000 to \$20,000. I have been involved in heavy losses, not through any speculation, as I never bought or sold any stock for my account, but through advances made by me to clients in Pioche in February and March last.

In March last the party carrying stocks for me in San Francisco, sold me out without notice, according to the usual form of notes signed by the party borrowing to the lender, and as I was at the time carrying probably over 400 different accounts in Pioche, I would have had to resort to the same harsh measures to protect myself in the premises. I did not do it. I thought best to carry my clients at all risks and in case of a loss to pocket it myself and to have, anyhow, the good will of everybody. At that time Meadow Valley was as low as \$10, and I had bought largely for Pioche at \$23 and \$30. Over 5,000 shares carried at that time. I had bought for \$13 to \$16. I am glad to say that I have been able to raise enough money to meet all my liabilities in Pioche, and I would be glad to do it without expecting to make a cent for myself.

I have come to the conclusion that I could not continue business any longer without involving more parties in my losses, and I have decided to sell my stock in the Kentucky, 7,500 shares, in trust, for the benefit of my creditors in Pioche.

Mr. Tagliabue leaves by to-morrow's train for Pioche to take charge of my liquidation and with the help of Mr. Fryer I will know soon the names of my creditors, with the amounts due to each of them. The settlement will then be perfected on inserting the names and amounts, and until then I will continue to sell or pledge my interest to procure the means to pay everybody at once.

If you believe proper to communicate this letter to any one of my creditors you are at liberty to do so, and I have only to state that all my efforts will be to pay and settle with everybody as soon as possible.

Please accept, dear sir, my best thanks for the helping hand you will give me in my trouble, and believe me, as ever, Your friend, J. B. E. CAVALLIER.

A CARD.

As much blame has been attached to me in regard to the failure of Mr. J. B. E. Cavallier, I take this means of informing the public that I knew nothing whatever of the affair until the arrival of Mr. F. Tagliabue, (who is now Mr. Cavallier's appointed agent), at a late hour on Sunday last. Up to that time I was kept in total ignorance of the whole transaction, and any remarks made by me in reflection cannot think otherwise. The business of which I was a mere salaried agent has forced me in a most unpleasant position, as I am censured, without cause, having performed the duties of my office to the best of my ability. J. E. FRYER.

AN INTERESTING VOLUME.—We have just received from A. L. Bancroft & Co., publishers, a handsomely bound volume entitled "Men and Memories of San Francisco in the spring of '50." By T. A. Barry and B. A. Patten. Its pages overflow with interesting reminiscences of the active men who were upon the stage of action in San Francisco during the busy scenes of the spring of 1850. No Franciscan, at home or abroad, can fail to be deeply interested by a perusal of this volume. Barry and Patten are well known to the Pacific coast, and no one can be better fitted for the work they have just given the public. For sale in Pioche by Charles Wiederhold and Wilson & Solomon.

FIRE.—Yesterday morning a fire alarm was sounded about 11 o'clock, and immediately both fire companies started for the scene of the danger. The fire caught in the rear of Pitzer & Corson's law office, Lacour street, and is supposed to have originated from sparks from a restaurant near by. The hose at the corner of Main and Lacour (Lynch's saloon) was stretched and ready for action, but fortunately the use of a few buckets of water extinguished the flame in a moment. Had this fire occurred in the night time a destructive conflagration would have been the result.

OBSCENE LITERATURE.—We have received from Hon. Clinton L. Merriam of New York a copy of his speech in the House on the bill for the suppression of obscene literature, together with a copy of the Act which passed both Houses March 1, 1873. The extent to which obscene literature is sold and circulated, and the means adopted by dealers to thrust such nefarious matter into private families and schools is perfectly appalling. Following is a list of the articles seized and destroyed by one active, zealous detective in the city of Brooklyn in one year's time: Obscene photographs, stereoscopic and other pictures, more than 182,000; obscene books and pamphlets, more than five tons; obscene letter-press, in sheets, more than two tons; sheets of impure songs, catalogues, handbills, etc., more than 21,000; obscene microscopic watch and knife charms and finger-rings, more than 5,000; obscene negative plates for printing photographs and stereoscopic views, about 625; obscene engraved steel and copper-plates, 350; obscene lithographic stones, destroyed, 20; obscene woodcut engravings, more than 500; stereotype plates for printing obscene books, more than five tons; obscene transparent playing-cards, 5,500 to 6,000; obscene and immoral rubber articles, over 30,000; lead moulds for manufacturing rubber goods, twelve sets, or more than 700 pounds; newspapers seized, about 4,000; letters from all parts of the country, ordering these goods, about 15,000; names of dealers in account-books seized, about 6,000; list of names in the hands of dealers, that are sold as merchandise, to forward catalogues and circulars to, independent of letters and account-books, seized, more than 7,000; arrest of dealers since October 9, 1871, over 50; publishers, manufacturers and dealers dealt since March last, 6.

KNIGHTS OF PYTHIAS.—C. H. Starkweather of Carson, hopes to have the pleasure of establishing a Lodge of the Knights in Pioche, and of the objects of the Order says: "It is founded on naught but the purest and sincerest motives; its aim is to alleviate the sufferings of a brother, succor the unfortunate, zealous watch at the bedside of the sick, soothe the dying pillow, perform the last sad rites at the grave of a brother, offer consolation to the afflicted, and care for the widow and orphan. Its name as an Order, we are led to suppose, was founded upon the tradition of and what transpired during the life of and between those two great historic characters, Damon and Pythias. The Order of Knights of Pythias now numbers nearly 1,000 subordinate, thirty-two grand and one supreme Lodge, with a membership of nearly 150,000. The work has just begun in this State. In March last there was a Lodge started in Virginia. Last week I sent an application for a dispensation to start one in Carson next month, and I hope before the close of the year that this honorable Order will be in every town of our State. Having had the experience of two years in this work, I shall be pleased at all times to answer communications in regard to the same."

NARROW ESCAPE.—A gentleman of this city made a narrow escape on Sunday. Learning that his family—consisting of wife and two small children—would arrive on Sunday's stage from Salt Lake, Mr. Horst, of the New York Restaurant, hired a carriage and a pair of horses and went out on the road beyond Rose Valley to meet them. Mr. Horst received his family, and with them in the carriage started for Pioche, but coming down the grade into the valley, it then being dark, the vehicle ran off an embankment and was upset. Fortunately the team was stopped before any great damage was done. Neither of the occupants of the vehicle received any particular injury. It was, however, a narrow escape, and we congratulate Mr. Horst upon the fortunate turn of the affair. Mrs. Horst and children have just arrived from Chicago, and having joined the husband and father here, will reside permanently in Pioche.

IMPORTED HOGS.—Pierson & Danner received, a few days ago, from Chicago, a boar and sow of the Magee breed, and a Lushier white boar. The first pair are a year old; the boar will weigh probably 300 pounds, and the sow 200. The other boar is two years old, and will weigh, when in good order, 400 pounds. These hogs were brought from Chicago to Lehi by rail, and thence to Pioche by wagon, and arrived here in very good condition. They cost \$350, and were imported for the purpose of improving the stock in this locality.

THEATRE.—Last night another large and fashionable attendance greeted Miss Carrie Carter and the Company. The excellent comedy of the "Serious Family" was well played, and was followed by the farce of "Ours Gal," which gave every satisfaction. We are glad to notice the engagement of Mr. John Maguire with the Bella Bird Company. Being an old favorite with our play-goers, he is a desirable acquisition to the already strong combination. To-night "Ten Nights in a Bar-room" will be presented for the first time in Pioche.

BASE BALL.—There was a game of base ball played on Sunday afternoon in front of Boone & Dolman's corral, on lower Main street. There were nine contestants on each side—the winning party scoring 25, the opposite, 19. Balls and bats arrived last evening from Salt Lake, and the organization of a base ball club is in progress. A preliminary meeting will be held to-morrow.

NO SPRINKLING.—THE REASON WHY.—Owing to necessary repairs now being made to the water pipes of the Floral Spring Water Company, street sprinkling has been discontinued for some days, but we are assured that by the Fourth sprinkling will be resumed. To do without it is quite a deprivation, but there is no immediate remedy for it.

ABDUCTION IN THE RAYMOND AND ELY HERMES CASE.—Yesterday Judge Percy concluded his argument against the motion for a new trial in this case. Judge Mesick will speak to-day, and after him Judge Garber will argue in favor of the motion.

FOURTH OF JULY COMMITTEES.—A meeting of the Committee of Arrangements on Fourth of July Celebration will be held at the Palace Club Rooms at 8 o'clock this evening, to hear the report of the Finance Committee.

BOWLING ALLEY.—Pierson & Danner have added to their old established saloon on Meadow Valley street a superior bowling alley. Rolling the balls is a pleasant pastime and healthy exercise.

MEXICAN WAR VETERANS.—A meeting of Mexican War Veterans will be held to-morrow (Wednesday) evening at 8 o'clock, at Aud & Berry's law office, Main street, over Denner's saloon.

PERSONAL.—Frank Tagliabue, a pioneer of Nevada, returned to Pioche on Sunday, after an absence of some weeks. We understand that he designs remaining here permanently.

NEW SALOON.—The old stand of Wells, Fargo & Co., Main street, is being fitted up by Hoy & Nixon as a saloon.

ROYAL ARCH MASONS.—The members of the Fraternity in Pioche some time since petitioned the Grand Chapter of the United States to establish a Royal Arch Chapter here. On Sunday evening a dispensation was received. Following is a list of the officers: M. W. Kales, M. E. H. P.; A. A. Young, E. K.; G. R. Alexander, E. S.; H. Krause, Secretary; M. B. Ephraim, Treasurer; Ed. Cuts, C. H.; J. De Orsey, P. S.; P. B. Miller, R. A. C.; D. F. Elson, First G. V.; J. M. Jones, Second G. V.; J. G. McDonald, Third G. V.; V. D. Cameron, G. The name chosen for this organization is the Keystone Royal Chapter, U. D. The first regular communication will be held Thursday evening.

CONFIDENCE GAME.—A few nights ago, a man in this place who was known to have money deposited in the State Bank had a set-to with the tiger. After losing what money he had about him, he commenced drawing checks, which were accepted. He lost in this manner over \$800, and then withdrew to reflect upon his loss. From memory doubtless he received the old adage that the early bird catches the worm, and next morning he anxiously awaited the opening of the bank. As soon as the bank was opened he presented his certificate of deposit, drew the money, and consoling himself with the reflection that he had won the last turn, made his escape. He has not since been seen or heard of.

ICE CREAM FESTIVAL.—The ladies attached to the congregation of the Presbyterian Church—Rev. J. P. Egbert, pastor—purpose giving an ice cream festival at Brown's Hall, next Friday evening, for the benefit of that gentleman. Mr. Egbert has been laboring in Pioche for several months, during which time he has succeeded in building up the first Presbyterian congregation in this place; but owing to ill health he finds a change of climate necessary. He preached his farewell sermon on Sunday night, and will leave here in a few days. All who feel an interest in so worthy a cause, and desire at the same time to pass an hour or two pleasantly, should attend the festival on Friday evening.

SERIOUS OPERATION.—Yesterday afternoon, at the County Hospital, Dr. Deal, assisted by Drs. Bergstein, Philson and James, amputated the leg of Everett Felt just above the knee joint. The unfortunate man has been an inmate of the hospital several months, and owing to serious injuries to his leg it was found impossible to restore that member, and amputation was resorted to to save his life. Mr. Felt is about 38 years of age, and has before him, notwithstanding his misfortunes and sufferings, hopes of a comparatively speedy recovery. He was placed under the influence of anesthetics, and so the operation was performed without causing any great pain.

NEWARK MINE.—Street dealers in mining stocks were considerably excited yesterday about the stock of this mine. Holders were demanding five dollars a share, cash down. This is quite an advance, and being made where the mine is best known, may be accepted as evidence of the good condition and prospect of the Newark. Its shares were quoted at \$5 and \$4.75 in the San Francisco Stock Board yesterday. This is its highest figure.

MASONIC BALL.—The ball to be given this evening at Brown's Hall gives promise of being a very pleasant and successful affair. The hall has been fitted up in handsome style, excellent music has been provided, and from the large number of tickets sold a good turnout may be expected. Fine performance at the theater will close at 10 o'clock so that parties may if they wish attend both the theater and ball this evening.

ENTERPRISE SALOON.—Charles Sturm, well known as a courteous and skillful mixer of delightful beverages in Virginia, has opened the Enterprise saloon on Meadow Valley street, over the Varieties. Mr. Sturm has gone to a heavy expense in fitting up his saloon, having continued to make it second to none in town.

AGENT FOR WELLS, FARGO & CO.—J. M. Seibert has received the appointment of agent for Wells, Fargo & Co.'s Express in Pioche. He is well qualified for the important duties devolving upon him, and has the assistance of Mr. H. M. Barnes, who is the local agent here, in the brokerage business on Main street.

FIRE IN ROSE VALLEY.—The barn of Ike Brown, in Rose Valley, was destroyed by fire on Saturday last about 2 o'clock p. m. During a heavy gale of wind it is supposed that a spark from a dwelling near by fell among the hay. The loss will amount to about \$200.

The San Jose Barber Shop has reopened. Shaving 25 cents; hair cutting 50 cents.

BALL AT BULLIONVILLE.—A ball will be given at Rich's Hotel, Bullionville, on Friday evening, the Fourth of July.

Tax following passengers left Palisade yesterday: B. F. Sides and wife, and C. Ullman.

Legal, Etc.
